### **NEW INITIATIVES TAKEN BY THE SCHOOL:**

Under the guidance of the Principal, Ms Sandhya Awasthi, the online teaching has been greatly enhanced by clearly defining the learning objectives and success criteria and using the Pear Deck Application for individualised engagement of children and to add assessment to everyday learning.

Nursery to I:

Although the online interaction pertaining to Academics is now limited to two days, the children are kept busy in a fun-way on Wednesdays, when they receive short Pear Deck assignments which are colourful and child-friendly. On Thursday, they have a general interaction with their teacher and also participate in activities related to a particular subject. In the past few weeks they have checked their numerical ability by playing Bingo, listened to stories, having art/craft activities, to name a few. Fridays are meant to complete the work done in the class in their assigned notebooks.

### **II – V:**

Pear Deck assignments and audio visual material are used as supplement learning. Use of Quiz and Role play in English and abacus, brain teasers and puzzles in Maths have been introduced before beginning of a new topic.

The introduction of new digital products like e-books offered the teachers a comprehensive set of tools and resources to enable them to make the online teaching sessions more interesting and lively. The English department received a training from the Oxford Educate Team to implement the eBook in their future online sessions.

#### **VI- VIII:**

Pear Deck assignments are being sent, Videos from Nat Geo, small experiment videos are shown and virtual tours are conducted to make learning interesting. Open ended questions are given at the end of the lesson to encourage critical thinking. Students are encouraged to observe situations around them and analyse them. The first ten minutes of the class are now devoted to news reading to make the students aware of the daily developments in the world and in the country. In Computer Science, new educational application (QUIZLET and FLIPGRID) used for the interactive class and group LIVE games are conducted at regular intervals. EXIT POLL was also conducted to get students feedback.

#### **IX – X:**

Students volunteered to make videos of activities in Physics syllabus. Students have been asked to update themselves with technological advancement in various fields of Space, Artificial Intelligence etc. For learning Sanskrit 'Anuvad Vidhi' is used every 5 to 10 minutes. Interactive sessions are conducted with different tools in Quiz and Map work practices online. In Japanese, Experimenting Dictogloss and Quizlet are used as language tools to test their understanding of grammar and vocabulary. For Spanish learning sites like [www.aprenerespanol.com](http://www.aprenerespanol.com) and Duolingo site are used to improve vocabulary and grammar exercises. Pear Deck Application is used for enhancing learning in all subjects.

Focus group classes for class X have been introduced for advancement of learning.

#### **XI & XII:**

Students prepared a small **presentation** for 5-7minutes on latest discoveries/area of interest in Biology. This motivated students to explore latest inventions. **Infographics** is now being used to make teaching learning process effective. **Digitization** technique and **Wacom Digi Pad** have been introduced in Accountancy. In Humanities, practical situations are given and analysed, **Quiz and PPT** are also used enhance teaching-learning process. Laboratory practicals commenced this month.

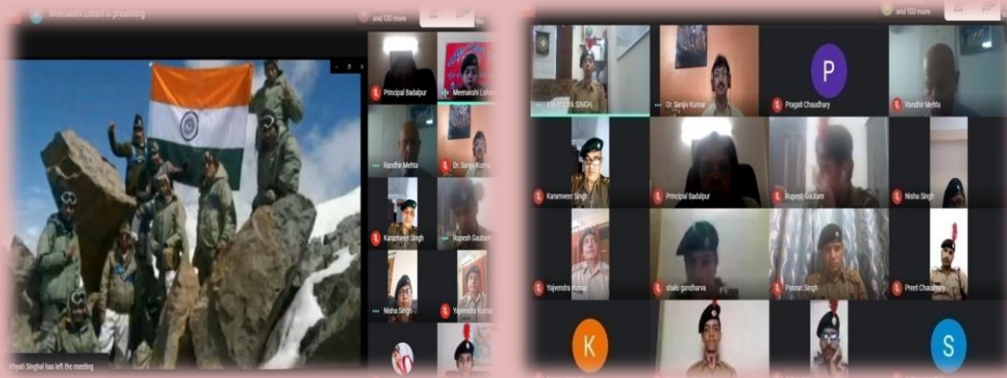

Classes for focus group have been introduced in the evening to impact scholastic performance. Doubt clearing sessions have also been arranged for the Commerce students.

### **PARTICIPATION OF STUDENTS IN VARIOUS EVENTS:**

## **OTHER ACTIVITIES:**

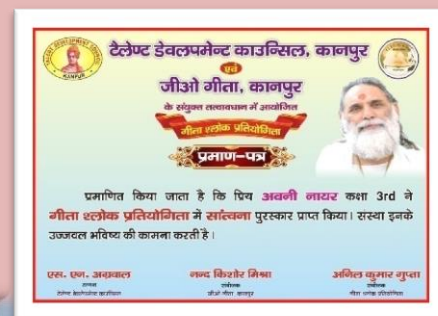

### **Doctor's Day**

1<sup>st</sup> July is celebrated in India as the National Doctor's Day. On this day the students of class III expressed their gratitude towards the doctors by acknowledging the difficult conditions under which each one of them is working to fight the Corona Virus Pandemic. Students painted beautiful pictures, made thankyou cards and crafted well thought out posters . They pasted these on their apartment notice boards as well as shared them with doctors and friends on their social network groups.

### **Rendering of Shlokas- Avni Nair III-I**

Class III student , Avni Nair won 'Runners-up Prize' in a shloka rendering competition held in Kanpur, U.P on July 5, 2020. The youngster showed great poise and confidence . She recited the shlokas independently, using no reading or prompting aid.

### **Paper bag making-Activity**

Every year globally, 12<sup>th</sup> July is celebrated as National Paper-bag Day to raise awareness about the use of paperbags and to discourage people from using plastic bags which are largely responsible for causing environmental and land pollution.

Abhav Taneja III E

Students, enthusiastically crafted beautiful paperbags using used paper or old news paper to reassert their commitment towards keeping their environment plastic free.

### **Rakhi Making Card- Activity**

To celebrate Rakhi, DPS Greater Noida urged its students to reach out to the soldiers working relentlessly at the borders to keep the nation safe and to express heartfelt gratitude for the COVID warriors working 24 X 7, at the hospitals to keep the nation healthy . The school encouraged the children to make Rakhis and wrap them in handmade cards with a message of gratitude. A drop box was installed near Gate No 3 for children to come and drop their messages of appreciation.

On July 30, Thursday, these were formally forwarded to the frontline workers by the Principal and HM

### **Best Of Luck Card**

To wish the children Best of Luck for their Assignment, a beautiful card with an encouraging message was shared with the students on July 26, 2020. The children as well as parents appreciated this gesture and replied the card with thank you notes on their Whats App Group.

### **Best wishes for Eid**

On behalf of teachers and staff of DPS Greater Noida, parents and students were sent best wishes for Eid through the Class Whats App Group.

### **Guru Purnima**

DPS Greater Noida took pride in sending a message through the Whats App group to the parents wishing one and all Happy Guru Purnima. We believe that a child's first teacher are the parents, so the kids learn from their parents first at home. To give respect to the parents, DPS school wished them a Happy Guru Purnima on July 05, 2020.

## **WORKSHOP FOR PARENTS, TEACHERS AND STUDENTS**

### **FOR PARENTS:**

### **WEBINAR ON IRF EARLY LEARNING STRATEGY:**

A Webinar to understand 'IRF – Interaction, Response and Follow up' was organised for the parents of Nursery to class I on July 8, 2020.

A live demonstration was given to the parents by Ms. Swati Pandey, IT Incharge, using a presentation incorporated with Pear Deck slides. They were explained as to how the child at their end will give

responses in the form of drawing, dragging the dot, putting the tickmark etc. to the questions given on the slides. She also assured them that it would be 'student paced' so that the children get enough time to give answers. The teachers can view the responses later and give their feedback to the children in the form of smiley or stars.

The demonstration of IRF was followed by an interactive session. The queries raised by the parents were answered by the Headmistress, Ms. ManjuVerma. She concluded the session with the hope that the parents will appreciate and contribute in this new technique of teaching learning process.

### INITIATIVE TOWARDS A SOCIAL CAUSE:

#### **Rakhi for Corona Warriors- Expression of Gratitude**

Raksha Bandhan is the most opportune time to express our respect and gratitude for all those people, who play a pivotal role in providing us a happy and safe environment through their selfless efforts.

The very spirited students of DPS Greater Noida have geared up for this auspicious festival this year in a novel way by preparing handmade Rakhis to be sent to all the front-line warriors, who have ensured our safe stay at home, putting their own lives at risk during this pandemic time.

The students took enthusiastic participation in a week-long Rakhi making activity, organized by the school to mark the occasion, to reciprocate their love and appreciation to all the medical professionals, police force and the municipal workers for the grit and courage shown during this unprecedented crisis due to the Covid 19. The enthusiasm shown by the sprightly young students of the Primary and Middle school has been especially overwhelming, as they wrapped the lovely Rakhis they prepared, inside special Thank you cards they made for their saviours.

It was a moment of pride for Ms. Sandhya Awasthi, Principal, DPS, Greater Noida, when she visited Dr. Mahesh Sharma, Honourable Member of Parliament, Gautam Budh Nagar on July 30, 2020 and handed over nearly 200 Rakhis and greeting cards, to be distributed among the Corona warriors, as a token of love and acknowledgement from the DPS Greater Noida fraternity. Ms. Manju Verma, Head Mistress, Primary & Middle Wing, DPS Greater Noida was also present on the occasion.

The touching gesture from the student community was lauded by Dr. Mahesh Sharma, who complemented the School Management on the noble initiative.

**Manush Pareek, a 2007 Alumnus of Delhi Public School, Greater Noida got selected in the UPSC bagging the 146 Rank All over India**
